SOFTWARE DEVELOPER

Innovative, creative and adaptable Front-end Developer with good experience in managing and creating web pages. Highly effective at developing and standardizing designs according to company brand and objectives. I'm continually learning necessary skills to continue my journey towards Front End development.

Education

Federal University of Agriculture, Abeokuta.

B.Agric. Agricultural Extension and Rural Development 2014 - 2019

Work Experience

Grazac Academy - Front-end Developer Intern

Sept, 2022 – Nov, 2022 (Abeokuta, Nigeria)

- Building websites that are responsive and usable with efficient code.
- Collaborating closely with the team to support projects during all phases of delivery.
- Monitoring website performance and rectifying front-end-related issues.
- Implemented the user interface using the react.js framework for the front end.

Project Undertaken

- [Hekto](#) - An online E-commerce website built using react to give users access to different furniture online.
